successful applicant will be prepared to teach a variety of undergraduate cultural anthropology courses, including an introductory anthropology course that includes the traditional four fields of anthropology such as World Cultures. Experience teaching immigration, peoples of Europe and, language and culture courses preferred. Applicants are expected to be committed to teaching as their primary focus, and should be able to demonstrate strong and innovative teaching methods and credentials. Committee and student advising responsibilities are also expected. There are no research expectations for this position.

Minimum Qualifications:

Master's degree in anthropology, or related field, at the time of application is required.

The University of North Texas System is firmly committed to equal opportunity and does not permit - and takes actions to prevent - discrimination, harassment (including sexual violence), and retaliation on the basis of race, color, religion, national origin, sex, sexual orientation, gender identity or expression, age, disability, family status, genetic information, citizenship or veteran status in its application and admission processes, educational programs and activities, facilities, and employment practices. The University of North Texas System immediately investigates and takes remedial action when appropriate.

The University of North Texas System also takes actions to prevent retaliation against individuals who oppose a discriminatory practice, file a charge, or testify, assist or participate in an investigative proceeding or hearing.
