students. The teaching load will be split between the three courses based on the needs of the Department. In addition to teaching and service, it is expected to maintain an increasingly significant professional and/or scholarly practice

Minimum Qualifications

The ideal candidate must have completed a PhD in Composition/Rhetoric/Academic Writing from a reputable North American (U.S. or Canada) or European university with at least three years of teaching experience after the doctoral degree. He/she should have a strong commitment to quality teaching, and be active in research. The ideal candidate must be ambitious, self-motivated, hard-working, with the ability to work both individually and as part of a team. Candidates should use technology in all aspects of their teaching and possess experience using a variety of online platforms and teaching tools, implement current teaching and assessment of student learning practices, foster a successful learning environment for all students. Candidates should possess the ability to actively participate in faculty committees and are expected to publish high-quality research in leading peer-reviewed journals.

Gulf University for Science and Technology (GUST) was established in 2002 as Kuwait's first private American-model liberal arts university and affiliated with the University of Missouri Saint Louis (UMSL). GUST currently offers several programs in Arts and Sciences and Business, including an MBA degree. GUST is internationally accredited by various bodies, including ABET/CAC (Computer Science), ACA (Mass Communication), AACSB (Business), NOSS (Foundation Program Unit), and CEA (Foundation Program in English).

The College of Arts and Science is committed to achieving excellence in teaching, impactful research, and collaborative relationships with local and regional communities, all in an active learning environment that promotes leadership, ethics, practical skills, and entrepreneurial spirit.

Campus: The Mishref campus expresses GUST's vision of higher education in Kuwait and provides the most up-to-date facilities and environment for active learning. GUST campus gives a strong and positive impression in terms of design, functionality, and accessibility.

The State of Kuwait is in western Asia in the Middle East situated in the northern edge of Eastern Arabia at the tip of the Persian Gulf.

Commitment to Diversity and Inclusiveness

GUST is committed to thrive an environment of cultural diversity with faculty and staff members originating from a mixture of different cultural backgrounds, personal and professional experiences, and various traits which enrich the workplace. Cultural inclusiveness and employment equity are profoundly embedded in GUST's mission.

GUST offers generous salary packages which includes several benefits, including housing and transportation allowances, educational allowances for children under the age of 18, private medical insurance as well as annual airfare return home tickets for self and dependents besides an end of service indemnity. The state of Kuwait is an income-tax-free country.
