Job Description

Position Summary

The Office of International Education at the University at Buffalo (UB) invites applications for a Postdoctoral Associate in Korean Studies. The position is open to scholars from all fields whose research relates to Korea, with preference given to applicants with research and/or teaching interests concern contemporary Korea.

This position will be part of the University's newly founded Asia Research Institute (ARI), and the individual hires will be an active member of ARI as well as of the UB Korean studies community. The Postdoctoral Associate is to:

Maintain an active program of research in their field of expertise, including giving a lecture in UB's Asian Studies Program's lecture series in Korean Studies

Assist with academic programming for the Asia Research Institute (ARI) and the Korean studies program, including supporting ARI's undergraduate initiatives

Teach one undergraduate course in Korean studies during the Spring semester.

Assist the Project Principal Investigator with planning, reporting, and other aspects of the project

Position benefits include some funds to support research activities, including participating in academic conferences and other career development activities. The position is expected to be available from the start date through July 2024.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit – all in an effort to support your work-life effectiveness.

Visit our benefits website to learn about our benefit packages.

About The University at Buffalo

The University at Buffalo (UB) #ubuffalo is one of America's leading public research universities and a flagship of the State University of New York system, recognized for our excellence and our impact.
