science education and research. WKWSCI seeks new faculty colleagues with a strong record of high-quality research and a commitment to mentoring the next generation of communication and information scholars.

The candidate would have experience in one or more of the following primary areas: computational text analysis, cultural analytics, digital curation and preservation, metadata and information organisation, critical data studies, or digital libraries and archives. The candidate is expected to hold a doctorate in an appropriate field such as Digital Humanities, Information Studies, Library and Information Science, Cultural Analytics, or related fields from a reputable university.

NTU is investing in digital humanities, arts, and social sciences. The selected candidate would contribute to this cross-disciplinary initiative.

Emoluments

Salary will be competitive and commensurate with qualifications and experience. The University offers a comprehensive fringe benefit package.

Application Procedure

Please submit the following documents to us:

- Cover letter
- Curriculum Vitae including a full publication list
- Research and Teaching statements

The closing date for applications is **2 December 2025**. All applications and materials submitted will be held in strict confidence.
