communication courses. The typical teaching load for junior faculty is 2/2.

Minimum Qualifications:

Applicants must have earned a Ph.D. in technical communication, professional communication, or related field by the time of appointment. Applicants should have a defined research agenda; the ability to teach a variety of foundational courses in the field of technical communication; and experience teaching courses in technical communication.

The University of North Texas System is firmly committed to equal opportunity and does not permit - and takes actions to prevent - discrimination, harassment (including sexual violence), and retaliation on the basis of race, color, religion, national origin, sex, sexual orientation, gender identity or expression, age, disability, family status, genetic information, citizenship or veteran status in its application and admission processes, educational programs and activities, facilities, and employment practices. The University of North Texas System immediately investigates and takes remedial action when appropriate.

The University of North Texas System also takes actions to prevent retaliation against individuals who oppose a discriminatory practice, file a charge, or testify, assist or participate in an investigative proceeding or hearing.
