Job Description

The **Office of International Education** at the University at Buffalo (UB) invites applications for a Postdoctoral Associate in Korean Studies. The position is open to scholars from all fields whose research relates to Korea, with preference given to applicants with research and/or teaching interests concerning contemporary Korea.

This position will be part of the **Asia Research Institute** (ARI), and the individual hired will be an active member of ARI as well as of the UB Korean studies community. The Postdoctoral Associate is to:

- Maintain an active program of research in their field of expertise, including giving a lecture in UB's Asian Studies Program's lecture series in Korean Studies
- Assist with academic programming for the Asia Research Institute and the Korean studies program, including supporting ARI's undergraduate fellows program

Postdoctoral Associate in Korean Studies
University at Buffalo, The State University of New York

Postdoctoral Associate in Korean Studies
University at Buffalo, The State University of New York

- Teach one undergraduate course in Korean studies
- Assist the Project Principal Investigator with planning, reporting, and other aspects of the project

Position benefits include some funds to support research activities, including participating in academic conferences and other career development activities. This is a 9.5 month appointment, with salary prorated accordingly, and is expected to be available from August 15, 2024 - May 31, 2025.

Outstanding Benefits Package
Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness. We support your growth and development through our career coaching and training department and we qualify as a public service loan forgiveness organization.
